

2020 45th Family Reunion POSTPONED!

Greetings DEKT Family,

Given the current COVID-19 Pandemic, it has been decided to postpone the August 2020 45th DEKT Family Reunion.

Discussions with the Washington, DC 45th Reunion Committee, health professionals, and legal counsel, it was determined that it would be in the best interest of our family and the general public to exercise extreme caution and wisdom due to the uncertainty and vastness of this pandemic.

The 45th Reunion will still be held in DC next year in August 2021. This pandemic has turned everyone's world upside down and has disrupted individuals, families, and businesses financially and health-wise causing current and future events to be postponed or cancelled across the country and world.

We hope and pray that everyone stays safe, regroupes financially, and return to some sense of normalcy as we look forward to celebrating our 45th Family Reunion next year in Washington DC .

Safest Regards,

John Battle
DEKT President

P.S. If you have made reservations at the Homewood Suites hotel, you must call and cancel your reservations to avoid cancellation fees as soon as possible.
